Mangalore, 19th February 1932.

BOARD OF REVENUE
24 FEB 1932
LAND REVENUE AND SETTLEMENT

From

Khan Bahadur J. Hussain, Bar-at-Law,

Collector of South Kanara.

To

The Secretary to the Board,

Land Revenue & Settlement,

M a d r a s.

Sir,

Establishment - South Kanara - Inspecting Tahsildar - selection of a reserve hand - Proposals - renewed.

Due to financial stringency at the time, Government in their order No.Ms.1817, Rev., dated 25-8-1931, communicated with B.P.Mis.No.2766, dated 3-9-1931 postponed the training in maintenance of Tahsildars and Deputy Tahsildars and ordered the surrender of the provision made in the Budget for that purpose. The Board therefore was unable to approve of the recommendation made in my D.Dis.6664-31, dated 9-7-1931, nominating M.R.Ry., M. Appu Rao for the post of the Inspecting Tahsildar, after giving him the necessary training - please see B.P.Routine No.5048, dated 21-9-1931. The financial year is drawing to a close and I beg to renew my recommendation, so that arrangements may be made for the training of Mr. Appu Rao early in the beginning of the next official year.

2. In this connection, I would respectfully urge that in view of the rule, prescribed in G.O.No.P.1411, Public (Services) dated 20-10-1930, which limits to one year the period of service as Inspecting Tahsildar, which may be counted as equivalent of service as a Taluk Tahsildar, it is but fair that a reserve hand should be trained in time to relieve Mr. K. Gulam Muhammad the present Inspecting Tahsildar at the end of one year, so that his service as Inspecting Tahsildar should not prejudice his chances of confirmation as a Taluk Tahsildar. With the exception of Mr. P. Mahabaleshwaraya, the former Inspecting Tahsilda

there is none else, who is competent to relieve Mr. Gulam Muhammad, even in cases of emergency, such as leave, illness and the like. Mr. Mahabaleshwaraya is already 52 years old and the Board has already held that he cannot be retained as Inspecting Tahsildar - please see Board's Confidential Refce.No.G.1020/31-1, dated 23-3-1931. No doubt, Mr. Appu Rao has not put in any service as Taluk Tahsildar, but he can afford to wait at least until Mr. Gulam Muhammad completes his period of probation. In fact, he has already given an undertaking that he is prepared to serve as Inspecting Tahsildar for a period of three years, provided he is allowed to serve as a Taluk Tahsildar, for one year in the interval, should there be a vacancy. I therefore request that the Board may be pleased to order arrangements to be made for giving Mr. Appu Rao training in angular survey soon after the termination of his special duty as District Election Officer, or from 1-4-1932. Mr. Appu Rao has served as a Settlement Deputy Tahsildar for nearly three years. Hence, the Special training in maintenance does not seem to be necessary for him.

RECEIVED 28/4/3.

The collector is informed that his nomination of M. Rly. M Appa Rao for the S.T's post cannot be approved as he will not be in a position to complete one year's service as taluk talukdar before he is appointed as S.T. He is therefore requested to propose some other officer who will satisfy the conditions laid down in B.P. Mis No 1883 of 15-6-31.

Collector of South Kanara.

To

The Secretary to the Board,

M a d r a s.

Sir,

Establishment - (South Kanara) - Inspecting Tahsildar-Reserve hand - Selection.

Board's Reference No.G. 740/32-1, dated 3rd March 1932.

Mr. M. Appu Rao was nominated for the Inspecting Tahsildar's training because his seniors, Messrs. P. Ananda Rao, M. Subba Rao and Victor Saldanha, who had either completed the one year's service as Acting Taluk Tahsildar or were likely to complete it before he could do so, could not be so nominated in view of Board's Refce.No.G.2551/31-2, dated 21.8.1931 and D.O. letter No.630, dated 29.10.1930 to Mr. Wells and also because he is the next candidate for appointment as Taluk Tahsildar. Now that the Board has negatived my nomination, I have no alternative left but to nominate one of the three officers named above. I therefore propose Mr. P. Ananda Rao, the seniormost, for training in angular survey. He has put in more than three years' service as Revenue Inspector and has also had the Land Records Inspector's training (training in circumferentor). He counts a service of 2 years and 7 months as Acting Taluk Tahsildar and still continues as such. No doubt, he is past 52 years of age, but he is physically strong and active

and quite fit to discharge the duties of an Inspecting Tahsildar. I therefore recommend that this suggestion may be approved.

2. I have already submitted in paragraph 7 of my letter Ref.No.1992-32-A2, dated 1.4.1932 that there is none here who has the requisite qualifications mentioned in B.P. Mis.No.1883, dated 15.6.1931. Hence my present recommendation under the special circumstances and request that the Board may be pleased to approve it.

Survey Training - Inspecting Tahsildar - South Kanara/postponement till end of monsoon - remarks offered.

Ref: Board's Ref.No.G.740-32-3 dated 14th June 1932.

In para 2 of Board's Ref.Rt.No.2013 dated 14th April 1932 L.R.& Sett. the Board has approved my proposal to appoint M.R.Ry. P. Mahabaleshwaraya as Inspecting Tahsildar as a ----- temporary measure till another officer is trained but for no longer. Mr. P. Mahabaleshwaraya also who has had 4 years' service as Inspecting Tahsildar is desirous of being freed from the duties of the Inspecting Tahsildar. Under the circumstances I donot think that the training of M.R.Ry. P. Ananda Rao can be postponed until the end of the monsoon. If his training cannot conveniently be effected on the West Coast due to the South West Monsoon, I suggest that he may be trained in some District on the East Coast.

I solicit early orders in the matter.

2. The DLR enquires to know if Mr Appu Rao may be nominated for the S.T. post. As Mr Appu Rao could not satisfy the conditions laid down in B.P. No. 1883/5631 (I) p 34 p 2 c his nomination was negatived by the Board. If Mr Appu Rao is to be selected for the S.T. post the Collector states that it is sufficient to train him in angular survey and that no training in maintenance is necessary for him as he has served as Settlement deputy Tahsildar for nearly three years. The DLR will consider whether the Collector's view is correct. If it is so it is for order whether the D.S. may be asked to arrange for the training of the nominee in angular survey. The DLR may be consulted again.

Rev

6/5/32

The reason why Mr. Appu Rao's nomination was not accepted by the Board is that he has not yet begun to act as a Tahsildar and that his appointment as S.T. before he puts in one year service as taluk Tahsildar would prejudice his chances of confirmation as Tahsildar. If

Lr Appa Rao is appointed as D.T. before he Completes one year service as Taluk he may be sure that a proposal will Come immediately he Completes one year's service as D.T. to appoint him as a Taluk Dalr— Cf para 6 of the Coll's letter on p. 3 of Pd. 2013 of 14.4.32. So I do not think that in the interests of Mr. Appa Rao as well as in the interests of the land records work in the district it is desirable to appoint Lr. Mr. Rao as D.T. before he Completes one year's service as Taluk Dalr.

The Coll. Considers that Mr. Appa Rao ... b.2c.? does not require the spl. training in maintenance as he has served as a settlement Dy. Dalr. for nearly three years. I do not think that this view is Correct. Service as settlement Dy. Dalr Cannot be Considered as a substitute equivalent to for the spl. training in maintenance. This training is quite necessary and very useful for an D.T. who has had no training in maintenance at all.

Rest. Lr. for when Mr Appa Rao is selected for the D.T.'s post he has I think to be given the spl. training in maintenance. This training may be given by an D.T. if no training Class is held in the meanwhile.

In view (last year) the Board did not approve the Collr's proposal to nominate D

I entirely agree: a man on settlt. learns nothing about maintenance office work — not much about field work of that sort.

Mr. Ananda Rao for the I.T.S post as he was then 57 years old and would be much older and unfit by the time Mr. Mahomed, who had just then been appointed I.T., vacated the post. Mr. Mahomed was however reverted to the regular line earlier and the Chf. now proposes Ananda Rao again for the I.T.S post. The Chf. says that Mr. Ananda Rao is physically strong material. I think that in the present circs. the last year's decision may be reconsidered and Mr Ananda Rao selected on condition that he is reverted to the regular line immediately Mr Appa Rao completes one year service as Select Supt. Mr Ananda Rao has to be trained in angular survey for a month before he is appointed. His training can be arranged at Cannanore.

This means that work being impossible in the monsoon is to a large extent rubbish: I had to sit on it on settlement. If an S.S.O. can do a fortnight or more a month of hard inspection even in June + July, there is no reason why an I.T. shouldn't get in a reasonable amount of training - which will probably be near headqrs. too. We may say that the Bd. cannot agree to postponing the training + sees no reason to think that training is impossible or even unduly difficult during the monsoon.
